Production Notes

Our barrel fermented Chardonnay is intended to highlight the excellent barrel program we have for our Chardonnay. Very few wineries in Colorado use premium French oak for any portion of their Chardonnay production. 100% of this wine was added to the barrels as juice and fermented then aged sur-lie until we finalized the blend for bottling. Aged 11 months in 40% new French oak barrels. Bottled 12/6/2023. 96 cases produced.

Winemaker's Notes

Aromas of ripe apricot, red apple, caramel, and a touch of graham cracker. On the palate, the wine is rich but fruitful with notes of ripe melon and pear complemented by notes of toasted almond and butterscotch.
