

## Cabernet Sauvignon Old Vine

Grand Valley, 2022

100% Cabernet Sauvignon

### Vineyard Details

100% Riverside Vineyard Cabernet Sauvignon, *Clone Unknown, Planted 1991*

### Production Notes

The 2022 Riverside Vineyard Estate Selection Old Vine Cabernet Sauvignon is a single vineyard wine selected from some of the earliest Cabernet Sauvignon plantings in the Grand Valley. Perfectly ripe fruit was harvested and fermented in a single small lot, with maceration carefully managed to build depth and tannin structure while maintaining balance and varietal integrity. After fermentation, the wine was aged for 20 months in 25% new French oak barrels. The oak influence is complementary, contributing structure, integration, and subtle complexity while allowing the natural concentration of the old vines expression to remain primary.

Bottled 8/14/2024. 167 cases produced.

### Tasting Notes

Strong dark fruits of blackberries and dark cherries on the nose perfectly compliment the intense ruby-purple jewel tone of the 2022 Riverside Vineyard Old Vine Cabernet Sauvignon. As the wine rests, more mineralities and woods arise like graphite and cedar. A bold body, medium acidity, and high tannin, make this wine an excellent choice for any soiree.
