Grand Valley, 2023

100% Merlot

### Vineyard Details

51.7% Vinelands Vineyard Merlot, *Clone Unknown, Planted 1999*

48.3% Theresa's Vineyard Merlot, *Clone ENT 348, Planted 2012*

### Production Notes

Made in the style of Coral, this White Merlot is separated from its skins as soon as the fruit arrives at the winery. We take care to ensure the juice is not over-extracted to preserve a vibrant pink color. Unlike Coral, most of the sugar is fermented out of this rosé which helps accentuate the vibrant acid and crispness we want! Bottled 1/24/2024. 430 cases produced.
