

## Coral

Grand Valley, 2024

100% Cabernet Sauvignon

### Vineyard Details

100% Theresa's Vineyard Cabernet Sauvignon, *Multiple Clones*,  
*Planted 2001*

### Production Notes

The Coral White Cabernet Sauvignon is crafted from Cabernet Sauvignon grapes pressed immediately upon harvest, with no extended skin contact, resulting in an exceptionally pale hue and a fresh and vibrant profile. Fermentation temperatures are maintained low to help preserve delicate aromatics and emphasize brightness, purity and refreshment. A touch of residual sugar was retained to balance the naturally vibrant acidity, creating a light, crisp mouthfeel with just enough roundness to keep the wine approachable. The faint blush color underscores the direct-to-press style and refreshing character. 100% Stainless steel. Bottled 1/28 through 1/29/2025. 1283 cases produced.

### Technical Data

RS: 7.0 g/l | ABV: 12.9% | pH: 3.444 | TA: 6.3 g/l

Appellation: Grand Valley AVA

Harvest Dates:

100% Theresa's Vineyard Cabernet Sauvignon, *Multiple Clones* -  
9/13-20/2024

Winemakers: Bo Felton and Justin Jannusch

### Tasting Notes

With a salmon-copper color, the 2024 Coral shows off immediate aromas of strawberry and subtle Rainier cherry backed by a hint of white peach. This tricks the mouth into initially expecting sweet on the tongue when instead it is balanced by confident acidity. Notes of apricot pair this wine well with plenty of salads and appetizers. Best served chilled.

### Colterriss Winery

Founded in 2010, COLTERRIS is family-owned and operated in the Grand Valley AVA, Palisade, Colorado.

The name COLTERRIS means "from the Colorado land."
