Our Sauvignon Blanc has bright fruit aromas and flavors with a soft, smooth texture.

Aromas: Bright and fragrant, features honeydew melon and pear, quickly followed by aromas of lemon, honeysuckle, mango, and pineapple.

Flavors: Delightful tropical fruit flavors, including star and passion fruits and mango, are complemented by key lime, apple, and pear notes. The texture is smooth and bright, with a creamy sensation that lingers in your mouth. The finishing touches are refreshingly bright and clean.
