

# Sauvignon Blanc 2023

Estate-bottled and crafted from 100% Sauvignon Blanc, this vintage was aged for 12 months in French oak barrels (10% new, 90% neutral), adding subtle complexity while preserving vibrant varietal character.

The nose is expressive and inviting, offering aromas of ripe pear, honeydew melon, lemon, and mandarin zest. On the palate, a lush, silky texture carries layers of pear, mandarin orange, crisp apple, and fresh citrus. Gentle notes of vanilla from oak aging weave seamlessly through the fruit, adding depth and elegance.

The finish is long, clean, and refreshing, leaving a bright, polished impression that makes this Sauvignon Blanc both versatile and memorable.

**Food Pairings:** Try Alfredo pasta with chicken, Moroccan lamb with couscous, lemon scallop risotto, or spicy Asian chicken bowl. Check out our wide range of recipes at [ironhubwines.com/recipes](https://ironhubwines.com/recipes).
