WINEMAKING NOTES:

Key Lime Pie is quickly becoming one of our staple dessert themed Z Labs offerings. Back for the third time, this wine is made from fermented key lime which was then aged with graham cracker and marshmallow. The sweet profile of this wine, bolstered by the obvious hints of graham cracker crust and toasted marshmallow, helps to cut through the naturally tart acidity of key limes. It's a treat all its own!

Z Wine Labs is a line of experimental wines produced here at Zorvino Vineyards. 25 to 30 different creative and exciting flavors are released in small batches throughout the year, intended to push the boundaries of winemaking and challenge the expectations of our customers. There's something for everyone at Zorvino!
