WINEMAKING NOTES:

Raspberry Margarita is our latest cocktail inspired Z Labs release. We took whole raspberries and co-fermented them fresh limes before aging this wine on tequila barrel chips. Fruity and zesty notes are complimented by the subtle yet more robust flavors offered by the spirit chips. Not too sweet with tons of flavor, this wine is a new staff favorite!

Z Wine Labs is a line of experimental wines produced here at Zorvino Vineyards. 25 to 30 different creative and exciting flavors are released in small batches throughout the year, intended to push the boundaries of winemaking and challenge the expectations of our customers. There's something for everyone at Zorvino!
